Camera Brands

ADOX

Adrette I

Description 35mm camera with telescoping front, film loads from bottom. Made in Wirgin factory and identical to the Edinex.

Year c1939 - 1940

Film Size 35mm

Value \$40 - \$60

Acquired February 26, 2000. Purchased from Keh Camera Outlet in Dallas, Texas for \$45.

AGFA ANSCO

No. 1A Folding Ansco

Description Anastigmat f7.5 in Ilex

Year c1915 - 1926

Film Size 116 rollfilm

Value \$12 - \$20

Acquired May 2010. Purchased on eBay for \$7.50.

AGFA ANSCO

No. 1 Ansco Junior

Description Vertical-style. Originally available with Achromatic, Rectilinear or Modico Anastigmat lens in Actus or Bionic shutter. Later versions had other options.

Year c1924 - 1932

Film Size 2 1/4 X 3 1/4" on rollfilm

Value \$15 - \$30

Acquired December 2007. Christmas gift from a friend.

AGFA ANSCO

No. 1 Readysset Royal

Description Folding camera with genuine leather covering in specially embossed and colored finish. The somewhat random radical striations and the brown & black mottled colors give the appearance of the fur of a silver fox. The exposed metal parts are grey enameled. Black bellows; chrome trim. Originally packaged in silver-colored cardboard box.

Year c1931 - 1932

Film Size B2

Value \$30 - \$50

Acquired October 15, 2000. Purchased at Looking Glass Antique Mall in Lewisville, Texas for \$45

AGFA ANSCO

D-6 Shur-Shot Special

Description Same as Shur-Shot Regular, but with built-in closeup lens. Early type, c1935, has black art-deco faceplate, has vertical band of 30 narrow stripes, flanked by three stars on each side of the lens. Later, c1939, has light face with U-shaped band of 6 thin black stripes.

Year c1935 - 1941

Film Size 116

Value \$5 - \$15

Acquired cAugust 2004. Gift from a friend.

AGFA ANSCO

Shur-Flash

Description Basic box camera with flash attachment. The film box still contains two unopened rolls of film. There is one opened roll, but it does not appear to have been exposed. Looks like it was just opened and placed back inside the foil wrapper. The expiration date on the back of the film box says May 1961.

Year c1953

Film Size 120

Value \$1 - \$10 Original list price according to the card it came with was \$9.75 including tax. This included the Shur-Flash Camera, Anscoflash Type III, three rolls of Ansco all-weather film and four flashlamps. The two AA batteries for the flash were not included.

Acquired June 2005. Gift from parents.

AGFA ANSCO

Super Regent

Description Made by Agfa Munchen; the Ansco equivalent of the Agfa Super solinette. CRF. Solinar f3.5 lens in Synchro-Compurshutter.

Year 1954 - 1960

Film Size 35mm

Value \$55 - \$85

Acquired June 11, 2000. Purchased at Montgomery Street Antique Mall in Fort Worth, Texas for \$21.

ARGUS

Argus A

Description 35mm cartridge camera with bakelite body. Argus Anastigmat f4.5/50mm in collapsible mount. Early models have fixed pressure plate, sprockets on one side of film. Later models have floating pressure plate and sprockets on both sides. Of early types, the first 30-35 thousand were made before a tripod socket was added to the bottom and the rewind knob thickened to match. Originally advertised in the following color combinations: black/chrome, gray/gunmetal, ivory/gold.

Year 1936 - 1941

Film Size 35mm

Value \$20 - \$30

Acquired May 2009. Purchased on ebay for \$9.99.

ARGUS

C2

Description Like the "C", but the rangefinder is coupled. Introduced just after the model C in 1938. An Early "brick", also found with all metal trim in high polished-chrome finish.

Year 1938 - 1942

Film Size 35mm

Value \$25 - \$40

Acquired July 2005. Gift from parents.

ARGUS

C3

Description The most common "brick", and found in at least five variations in film-wind knob, accessory clip and name plate designs. A solid, durable and well-like camera, like the C2, but internal sync.

Year 1939 - 1966

Film Size 35mm

Value \$12 - \$20

Acquired December 2010. Gift from parents.

ARGUS

Argoflex E

Description Focusing 3-element, f4.5/75mm, Varex Anastigmat; shutter b-200

Year 1940 - 1948

Film Size 620

Value \$25 - \$40

Acquired 1996. Gift from a friend.

ARGUS

Argoflex Seventy-five

Description Black plastic body, fixed focus

Year 1949 - 1958

Film Size 620

Value \$1 - \$10

ARGUS

Argus Seventy-five

Description Black plastic body, fixed focus. Same as Argoflex Seventy-five, but name shortened from Argoflex to Argus.

Year 1940 - 1948

Film Size 620

Value \$1 - \$10

ARGUS

C-twenty

Description Replaced the A4, using the same basic body style but incorporating a rangefinder. Brown plastic body.

Year 1956 - 1958

Film Size 35mm

Value \$15 - \$30

Acquired July 2005. Friend picked up for me at an auction in Ben Wheeler, TX for \$10.

ARGUS

Argus C3 Matchmatic

Description Basically a face-lifted C3 in two-tone finish. Designed for use with a non-coupled clip-on selenium meter.

Year 1958 - 1966

Film Size 35mm

Value \$20 - \$30

Acquired February 2010. Purchased on ebay for \$20.13

BRAUN

Paxette I

Description Looks like a rangefinder camera, but actually houses an extinction meter in the second window. Slightly raised accessory shoe and frame counter in front of shoe. Kata f2.8/45mm.

Year 1953

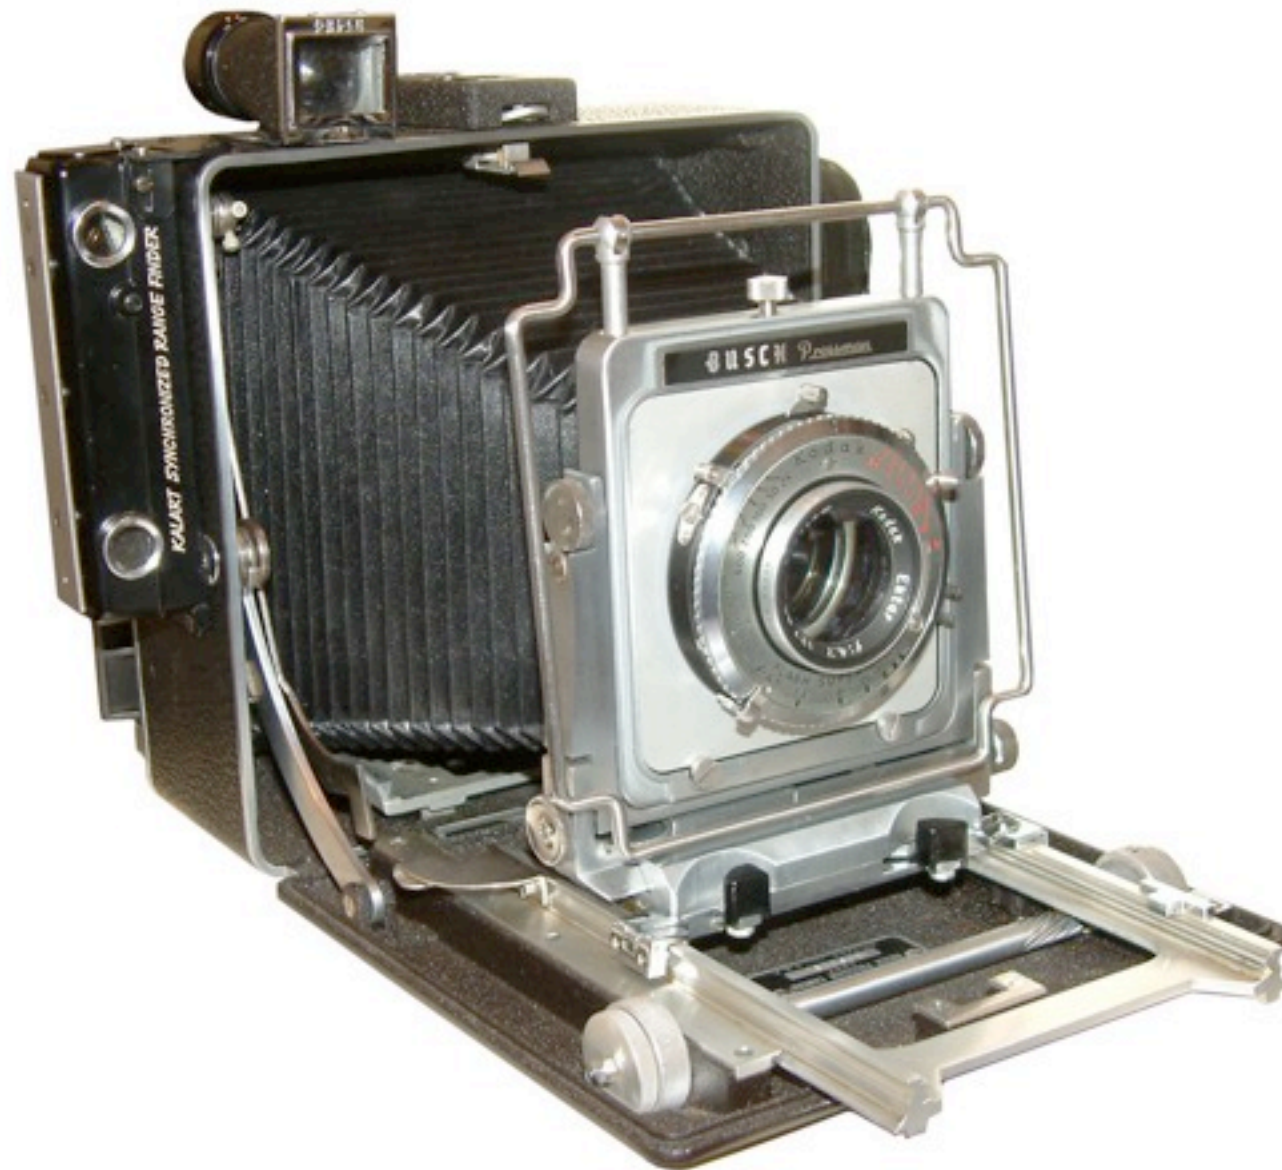

Film Size 35mm

Value \$30 - \$50

Acquired July 2005. Friend picked up for me at an auction in Ben Wheeler, TX for \$10.

BUSCH

Pressman Model D

Description f4.7 127mm Ektar lens. Press camera styled like Graphic. The body is made of aluminum.

Year c1949

Film Size 4X5

Value \$175 - \$250

Acquired December 2007. Bought on ebay for \$250.

BUSCH

Pressman Model C

Description f4.5 101mm Wollensak lens.
Miniature press camera

Year c1949

Film Size 2 1/4 X 3 1/4
